Dear Ms. Mondloch:

Re: Uniform Dwelling Code (UDC) Ordinance for the Village of Adell

I have reviewed your ordinance #1-1988 mentioned above for conformance with ILHR 20.06 and find it acceptable to the Department.

Your ordinance in the "Application of Provisions" section indicates your inspector will be certified by this Department. This will be in accordance with Chapter 26 as stated in the UDC. Please provide us with the name of your certified inspector.

The "Application of Provisions" section of your ordinance also indicates that uniform dwelling permit procedures will be used. I am attaching our "Material Order" form which will enable you to order seals and other applicable forms. Your building inspector will be familiar with that procedure. Enforcement of the UDC by your inspector will be through using state permit forms, permit seals and procedures explained in ILHR Chapter 20. Please call if you have any questions.

Sincerely,
